ren. Inability to control the kidney se-
cretions at night or while at play, is at-
tributed to carelessness and too fre-

having children troubled with kidney
weakness would do well to treat the kid-

remedy. If there is pain in the back,
discolored urine, irregular urination,
headaches, dizzy spells or a tired, worn-

once. A remedy that has been used in
kidney troubles for over 50 years and
has been recommended by thousands.
Proof of the merit in an Alma citizen's
statement.
